CHRISTIAN ORGANIZATION IN THE TRI-STATE AREA SUCCESSFULLY AND
ARTISTICALLY FUSE FAITH AND THE ARTS WITH EASE AND GRACE

DC/MD/VA: Living Stones, Inc. was founded by six alumni from the prestigious Howard University. With majors ranging from Theatre Arts to Political Science, all six individuals are very capable of handling themselves on the stage or in the boardroom. Founded on the Biblical scripture I Peter 2:5, Living Stones, Inc. is dedicated to upholding the standards and values set forth by the Word of God.

Living Stones, Incorporated is a professional Theater Arts company committed to setting a standard of artistic and spiritual excellence in Christian Theater. Living Stones, Inc. has remained among the forerunners of the Arts Ministry genre for the last six years. The company remains unique in its structure - being among the minority of professional Christian companies that operate independently of any specified church/congregational affiliation. Living Stones uses all facets of the written, performance, visual and technical arts to worship God and convey the love of Christ.

Our Mission: Living Stones has been commissioned by God to glorify Christ and unveil His love through the arts. We are an organization that: trains ministers in the arts, produces original works, and serves as stewards for a thriving community of Christian artists.

Living Stones, Inc. grew out of the Howard University chapter of the now incorporated, non-profit entity. Living Stones @ HU was founded in 2000 by five theatre arts students, all with the passion and desire to glorify Christ through the arts. Three of the six LS, Inc. members are original founding members of the on-campus chapter at HU.

Since the inception of the ministry Living Stones has been invited to participate in numerous events along the northern east coast. Some events include, *True Love Waits Conference (2000)*, *PFC Youth Explosion 2006*, *Wednesday Night Live*, & *Spirituality in the Arts -*

workshops on incorporating faith and the arts (2006). They have opened for such artists as Trinity 5-7, Tye Tribbett, & Pastor Donnie McClurkin,

Over the past six years Living Stones has been blessed with the opportunity to create and produce one main stage production each year for its home and local community, within the DC metro area.

Living Stones remains committed to clearly defining the true essence of arts ministry: what does it mean? how does it look? how does one operate in it?
