**CUTTING-EDGE ARTS COMPANY FLAWLESSLY FUSES FAITH
AND ARTISTIC EXCELLENCE**

*Living Stones, Inc. is quickly becoming one of the most talked about arts companies to hit the
Metropolitan DC area*

USA East Coast - Started by six Howard University graduates with majors ranging from Theatre Arts to Political Science, all six individuals are very capable of handling themselves on the stage or in the boardroom. Founded on the Biblical scripture I Peter 2:5, Living Stones, Inc. is dedicated to upholding the standards and values set forth by the Word of God.

Our Mission: Living Stones has been commissioned by God to glorify Christ and unveil His love through the arts. We are an organization that: trains individuals of faith in the arts, produces original works, and serves as stewards for a thriving community of Christian artists. Living Stones uses all facets of the written, performance, and visual arts to worship God and convey the love of Christ.

Living Stones, Inc. grew out of the Howard University chapter of the now incorporated, non-profit entity. Living Stones @ HU was founded in 2000 by five theatre arts students, all with the passion and desire to share the love and grace of God through the arts. Three of the six LS, Inc. members are original founders of the on-campus chapter at Howard University.

“This group says things that people want to say but don’t have the courage to” – Pastor Donnie McClurkin
